OUR PRICING

At IRIS PHOTO.ART we base our prices on your individual wishes. It's that easy to determine the price:

- **Choose the number of eyes:** UNO (1 eye), DUO (2 eyes), TRIO (3 eyes), QUARTET (4 eyes), QUINTET (5 eyes) are available.
- **Choose a page format and size:** We offer special formats for every number of eyes. Details of formats and prices can be found on the relevant pages in the index.
- **Select the material:** We offer Alu Dibond, Acrylic and Chromaluxe. Each material has a different price.
- **Optional frame:** Choose a wooden frame or two aluminium frames for an additional charge.

All prices include photography, editing and production. If you have any questions, our gallery team is available at any time.

OUR EFFECTS

Give your Iris photo that special touch with our exclusive effects:

- **Round Format:** Ideal as a focal point, borderless for natural beauty.
- **Monochrome:** Strong contrasts with deep black or bright white....
- **Aura:** A subtle aura surrounds your iris, giving it depth.
- Special effects: Creative options such as **Splash White**, **Splash Black**, **Stars White** and **Stars Black**.

See the catalogue for an illustration of each effect.
Please note that the availability of certain effects may depend on the selected format.

Choose the background that matches your style and let your Iris photo shine in a new light.
